

## ADR Class One Trumper Driver

### **Immingham Transport – Delivering value, quality and confidence**

Immingham Transport Limited is the one of the region's largest transport, warehousing, and distribution providers. Our 10 acre terminal is perfectly located to serve the ports of Immingham, Killingholme, Grimsby and Hull.

### **About the role**

We currently have vacancies available for experienced ADR Class 1 Trumper drivers in general haulage.

At Immingham Transport we are extremely passionate about what we do. Our driving team has an important front-line role in maintaining and promoting our success and image. You will be working with the latest vehicles which are all equipped with up to date technology. We are looking for dedicated drivers with a good geographical UK knowledge.

### **Key responsibilities**

- Delivery/collection of full load trailers & containers around the UK to ensure a high standard of service is maintained from start to completion of any job undertaken.
- Adhere to company rules and procedures, including all aspects of health and safety
- Effectively manage own working time in line with the Road Transport Directive
- Adhere to tachograph rules and regulations at all times
- Ensure proof of deliveries (PODs) are signed and returned to the Transport Office after delivery
- Achieve and succeed fuel efficiency targets set by the business

### **NEW and improved pay structure.**

- A weekly average wage of £819.00\*
- Annual earnings of up to £42,672.00\*
- Holiday pay – 28 days for drivers on a 5 day shift pattern

\*Based on 65hours and 4 nights out a week including ADR

### **Requirements**

- Full UK driving licence.
- An ADR Licence is beneficial but not essential.

### **Benefits**

- Immediate start
- Weekend overtime available
- Free medical & eye tests at licence renewal
- Free CPC training for employees
- Free uniform

### **Why choose us?**

- Competitive rates of pay
- Strong career stability, friendly inclusive teams and potential to grow with the business
- Desirable fleet/equipment available
- Opportunity to join a great team and a growing company!
